

Recruitment of Experts for an Expedition

Noah's Ark Ministries International (NAMI) would like to recruit experts, scholars and scientists from around the world to join our team. Anyone who is capable to offer contributions for further exploration can reply our application form.

In addition, we will have an Exploration Forum for our latest search discovery in late July, 2010 in Dogubayza it, Eastern Turkey to seek advice and methodology from experts for our next expedition. Interested parties are welcome to fill in their contact information below. Details of the Forum will be sent by email to those interested parties on or before mid July. Please note that all participates of the Forum is responsible for all of their own expenses including travelling, meals, accommodations and etc.
